Cultivate a timeless aesthetic.

The strength and character of 19th century Biedermeier furniture finds renewed expression in Innsbruck and Osterley Park. Michael Tatum and Robert Purdom created six carefully detailed chair styles exclusively for Kimball Office; each rescaled and reshaped for today's applications. Exquisitely finished and beautifully upholstered, Innsbruck and Osterley Park bring stately presence to executive and hospitality settings.

- The kiln-dried, double-doweled hardwood frame is offered in a wide choice of finishes, ranging from rich, deep shades to warm light tones.
- Eye-shaped, scroll, and triple splat back designs are detailed with contrasting ebony finish.
- White ash burl veneer is used on the top rail of scrolled-arm models, conferring visual interest.
- Upholstery selection includes all Kimball Office fabrics and leathers, as well as COMs and COLs.
- Mindful of the environment, Innsbruck and Osterley Park are GREENGUARD® certified for improved indoor air quality.
