

Prevail™ Casegoods

Kimball® Office

The power of having it all.

Product specifications: (Extended desk and credenza shown) Espresso Walnut, Apex pull in Platinum Metallic, Panel and worksurface grommets shown, Overheads with translucent doors; Seating: Stature, Metallix Moondust.

No need to lower your standards or adjust your thinking, Prevail puts you on top and keeps you there with a casegoods series that merges the purposeful with the aesthetic. Prevail maximizes smaller spaces, handles everyday technology demands with convenient ease, and offers handsome solutions for any work setting and style.

Characterized by clean lines, a rich blend of materials, and the consistent quality and craftsmanship for which Kimball Office is known, Prevail provides an intelligent value.

Practical doesn't mean dull.

Logical combinations of natural and manmade materials help Prevail create work environments that mirror the strength of your company's character, commitment and capabilities. Well-considered details and precise engineering provide almost limitless functionality. Not only is Prevail smartly drawn, it's also smartly priced — proving that sensible doesn't have to be humdrum.

Apex Pull

Integral Pull

Wood Door

Translucent Door
with Platinum Frame

- Chamfered side panels and a platinum plinth base modernize the traditional form, while contributing structural integrity.
- Warm hardwoods, cool metallics and light-infusing transluents confer additional visual presence.
- Optional wood-grain laminate tops offer resilient performance in high-use applications.
- Detail options — choice of Integral self-pull or platinum Apex applied pull and wood or translucent doors — provide aesthetic flexibility.

Compact doesn't mean cramped.

Scaled to create more room in less space, Prevail maximizes smaller work environments without sacrificing aesthetics, performance or creature comforts. Extended components stretch the utility and dollar value of every square foot. Efficient technology-management pieces reclaim desktop real estate. With its tailored-to-fit solutions, Prevail gives you business environments that favor quality over quantity.

Center drawers provide necessary storage for small items.

Extended desks and credenzas make the most of surface work space.

Highback organizers offer additional vertical space to accommodate taller monitors.

- Extended desks, credenzas and returns provide more worksurface in a compact area by forming cockpit arrangements.
- Extended components also allow occupants to choose which way they face within their own space, a proven performance enhancer.
- Printer returns have a drawer for peripherals, freeing up worksurface space.
- Desks and credenzas are also offered in smaller sizes to better suit today's compact workspaces.

Plugged in doesn't mean tangled up.

Prevail efficiently delivers the power/data you need, where and when you need it. Specially designed components securely contain peripheral tools and cords. Multiple power/data routing solutions furnish plug-and-play accessibility. Tailored for work, Prevail keeps you and your technology neatly connected.

- The door on the approach-side desk pedestal opens, providing handy access for cord management. These hinged access doors are standard on all Prevail desks.
- Optional cord management troughs, attached to the underside of worksurfaces, keep cords out of the knee space and off the floor.

Lockable extended-depth printer returns securely house computer accessories, freeing up desktop space. Cords run to power sources through a half-round cord opening in the top or bottom of the unit.

Optional panel grommets
channel cords off worksurfaces
and into the back of pedestals.

Optional worksurface grommets
guide cords away from tops,
eliminating snarls.

Hinged modesty panels
allow access to building
power/data sources.

Half-round cord openings
route cords through desks,
returns and credenzas. Add
optional power/data modules
for plug-and-play convenience.

Simple doesn't mean doing without.

With its receptive selection of desks, credenzas and storage, Prevail gracefully negotiates multi-personality business environments and style preferences. Shared finishes and details with other Kimball Office solutions such as Change™ provide expanded application depth. An efficient and complete line, Prevail responds to your workplace needs with carefully considered choices and first quality value.
