

# Xtreme™ Seating

Kimball® Office

# Have a seat.

Xtreme is as easy to look at as it is to sit in. Simple-to-use adjustable features — seat depth, back height, and a choice of armrest options — let users personalize their chair's fit and feel. Precise engineering and high quality construction ensure a lasting value.

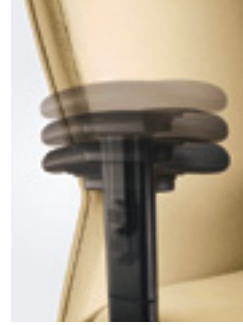

Height and width adjustable arm

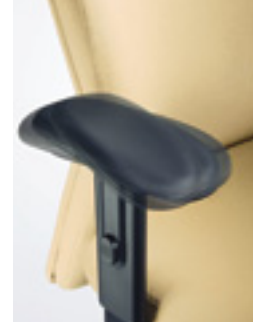

Fully adjustable arm

Arm width adjustment  
A lever lets users adjust each arm width to one of four positions within a 1½" range for a total 3" of overall arm width adjustment.

Arm height adjustment  
A push button allows arm height to be adjusted and locked into one of eight positions within a 3" range.

Pivoting arm caps  
Available on fully adjustable arms, arm caps can be set in one of three positions from 15° inward to 15° outward.

Available in a broad spectrum of models and upholstery choices, Xtreme complements business environments from the boardroom to the training room.

- The line comes in high-back, mid-back and mid-back stool versions.
- Available armless or with height adjustable, height and width adjustable or fully adjustable arms.
- Height adjustable back provides lumbar support and can be set in one of seven positions within a 3" vertical range.
- The solid structural integrity of Xtreme's black frame, base and arms withstand wear-intensive applications.
- Seamed slipcover-style upholstery on the back and seat accommodates a wide variety of textiles and leathers.
- Contrasting fabrics may be specified for a custom design statement.
- Optional seat depth adjustment available – seat locks into one of seven positions within a 2¾" horizontal range.
